

Mobile Only™

“Mobile Meets the Gateway.”

- An innovative mobile payments processing service that provides you the flexibility and convenience to accept credit card payments anywhere in the world with a data connection.
- Mobile Only™ accounts feature a monthly per device fee with no gateway monthly fees. With a Mobile Only™ account merchants will be able to only process credit cards from their mobile device.
- iProcess™ is the application that Mobile Only™ pairs with and works through an extensive coverage area such as WIFI, 3G/4G or EDGE.
- Can be downloaded from the Apple™ App Store & Google™ Play Store.
- Application compatible with Apple™ & Android™ devices.
- Our swipe solution is hardware encrypted.
- Process keyed or swipe transactions with retail rates.
- Add multiple MIDs inside iProcess™.
- Geotag locations on the receipt.
- Capture digital signatures and add tip amount charged if needed.
- Receipts can be emailed, SMS, or print.
